#### STEPS POST THIS EMPANELMENT CERTIFICATION

Once an organisation is empanelled with the National CSR Hub at TISS, there are 3 modes of partnership:

- The organisation's details alongwith thematic and geographical areas of empanelment are shared with those corporations that have signed MoU with the National CSR Hub, TISS. These companies 'may' get in touch with empanelled partners, as per their CSR policies and areas of engagement.
- Empanelled organisations may themselves approach prospective CSR funders with not only a copy of the letter, but most importantly with a project proposal.
- The National CSR Hub at TISS also has a database/project proposal bank of prospective projects. Your organisation is eligible for applying for empanelment of a flagship project proposal. The National CSR Hub at TISS does not assure funding for empanelled partners, but plays a proactive role in connecting potential CSR funders with potential projects of empanelled partners through its project proposal bank. Your organisation may like to download the TISS National CSR Hub Project Proposal template from our website [www.tiss.edu](http://www.tiss.edu) and apply for empanelment of one core program for inclusion in the TISS National CSR Hub project Proposal Bank.

Please note that for the duration of the empanelment with the National CSR Hub, your organisation may be subject to periodic reviews. If the review team is dissatisfied with your organisation's functioning, your empanelment with the National CSR Hub may be terminated. We are sure that you understand that this would be in the interest of building effective partnerships and interventions.

Henceforth, you are eligible to be considered for projects under CSR. You may use this letter in the course of subsequent interactions with those Institutional partners that have signed MoU with the Tata Institute of Social Sciences

We welcome you to this endeavour.
